EVERYDAY HERO

The group or individual to be inspired to do things differently

Luke Skywalker:

A bored farm boy on a desert planet.

Misses his friends who have gone off to learn to be fighter pilots.

Longs for adventure.

ORDINARY WORLD

The everyday world which is increasingly frustrating for our hero to live in

A moisture farm on a desert planet, Tatooine. We also learn that Tatooine, like most of the galaxy, is living under the oppressive regime of the Empire.

CALL TO ADVENTURE

The trigger for change which could be the pull of inspiration or the push of necessity

Learning his father was a great hero and a Jedi. Receiving his father's lightsaber and the message for help from Princess Leia. Death of his guardians and destruction of his home.

BETTER WORLD

The positive change to the hero and the difference the hero has made

The medal giving ceremony, celebrating the Empire's first real defeat and a new hope!

CROSSING THE THRESHOLD

The first step and point of no return

Luke sells his land speeder and enters the dangerous town of Mos Eisley to buy a ship to take him off the planet to go and rescue the Princess.

ALLIES AND GIFTS

The people and help that is needed for change to happen

Han Solo and Chewbacca, smugglers with the fastest ship in the galaxy.

MENTORS AND GIFTS

Giver of wisdom and support

Obi Wan Kenobi:

He trained Anakin Skywalker, served as a general in the Republic Army fighting the Empire.

He's a legendary Jedi Master who teaches Luke how to use the force.

COMPELLING VILLAIN

An attention-grabbing manifestation of the selfish behaviour that stands in the way of change

Darth Vader:

He encapsulates the brutal, forceful, evil domination of the Empire and the biggest danger to Luke's journey.

THREE CHALLENGES

Three difficult but confidence-building hurdles to be overcome

1. Get onto the Death Star to rescue Princess Leia.
2. Get off the Death Star with Princess Leia.
3. Go back and destroy the Death Star.
